

Ministry Teams 2008 - 2009

Vernie Nethercut, Ministry Team Coordinator

Ministry Teams - a few or many volunteers using their special skills and interests working together to help with the life of the church. Doing special short-term projects, or one-time-only projects, or a small task done on a regular basis. Ministry Teams (MTs) often support a board appointed committee. Benefits: Actively "doing" (few or no meetings), can join or drop off as convenient.
