

Easter Flowers

Easter Sunday is April 20th. One way to celebrate the gift of our Savior on Easter Sunday is to beautify the Sanctuary with flowers. It is a wonderful opportunity to celebrate the life of those who are now in glory with Him, to honor those here who trust in Him, and to share with those who need to know Him.

The flowers will grace our altar area, and a list will be included in the bulletin. Lilies, daffodils, hyacinths and tulips will be available. After Easter, you may take your flowers home, or we will deliver them to a 'good home'. Please complete and return this form with your check (marked Easter flowers) to the church office.

Order Deadline is Monday, March 31, 2025

Name of Sponsor:
