## **He is with us Always**

**Deborah Butler**

Living in Northern Michigan, we often take our glistening lake shore and wooded splendor for granted. and forget that we have the best of both worlds at our beck and call. We often refer to Alpena and Northern Michigan as "God's country". Let's take a moment to be still, take a deep breath and pause to listen to what is around us. We may hear the sounds of the lakeshore or the songs and melodies of nature. As I stop to reflect on this, I am reminded to take a moment and listen for God's 'still gentle voice'. He has promised us that, "I am always with you..." He has been with us since the beginning, in 1862. He continues to be with us in times joy and hardship, sorrow and happiness, missions and ministry, war and peace and happiness and discouragement. We forget that through it all, His loving presence and grace has not left us. He has carried us and cared for us when we couldn't care for ourselves. The following is a wonderful reminder of this.

### **Footprints in the Sand**

*By Mary Stevenson*

One night I dreamed I was walking along the beach with the LORD,  
Many scenes from my life flashed across the sky.  
In each scene, I noticed footprints in the sand.  
Sometimes there were two sets of footprints,  
Other times there were one set of footprints.

This bothered me  
because I noticed that during the low periods in my life,  
When I was suffering from anguish, sorrow and defeat,  
I could see only one set of footprints.

So I said to the LORD,  
"You promised me LORD, that if I followed You,  
You would walk with me always.  
But I noticed that during the most trying periods of my life,  
there have only been one set of footprints the sand.  
Why, when I needed You most,  
You have not been there for me?"

The LORD replied,  
"The times when you have  
seen only one set of footprints,  
is when I carried you."

I challenge us all these next few weeks of summer, to take a moment or two, as we walk though our daily lives or along the lake shore, maybe enjoying a quiet evening on the deck or perhaps a hike through the woods, to enjoy God's gifts and promises and remember that God is with us, and only through His grace are we people of hope, who are loved and encouraged.

*So do not fear, for I am with you; do not be dismayed, for I am your God. I will strengthen you and help you; I will uphold you with my righteous hand. For I am the LORD, your God, who takes hold of your right hand and says to you, Do not fear; I will help you. Isaiah 41: 0, 13*

## Meet the Office Administrator

Max Lindsay, Chair Personnel Committee

Those of us who have been in our church building during the week have probably noticed a new face in the office. Nancy Ross has been chosen to be our new Office Administrator, replacing Judy Suszek who has moved to Traverse City to be closer to family.

Nancy is an Alpena native who has lived in our community virtually her entire life, with the exception of a few years in her twenties. She is the proud mother of 4 daughters and grandmother of 10.

Nancy has lived a life of service through Nursing. She received her associate of Nursing Degree from Alpena Community College and her Bachelor' of Science of Nursing Degree from Lake Superior State University.

Nancy began her Nursing career as a Nursing Assistant and then moved on to Inpatient and Home Care Nursing. She worked at Tendercare-Alpena for 10 years, ending with her being the Director of Nursing. She then became the In-home Services Co-ordinator for the Alpena Senior Center and ended her career as a Nurse Case Manager for adult mental health services at NE MI Community Mental Health Authority until her retirement in September 2020.

When asked what the best thing about working for First Congregational United Church of Christ-Alpena, she replied, "the people have been so kind and supportive." Please stop and say hello to Nancy if you are in our church home.

## August Worship Leader

Reverend Rosemary Gibson

My husband and I were both born and raised in the city of Hamilton, Ohio approximately thirty miles north of Cincinnati. We met in High School and after graduation left for school in Cincinnati where I eventually earned a Masters Degree in Nursing and Science. My husband was an accounting major. We married in 1971. Our daughter was born in 1973 and our son in 1982. We celebrated 52 years together this past September. Our daughter is a Nurse Midwife and our son is an Attorney. We also have three wonderful grandsons.

After more than 40 years at Cincinnati Hospital Medical Center in Pediatric critical Care, I took an early retirement while working on a PhD in Nursing. It was then that my husband and I decided to come to Northern Michigan. We love being surrounded by pine forests! This is where I rediscovered, with a new perspective, God's presence and love in my life.

After teaching Nursing at Kirtland Community College for two years, I applied to the Living School, out of the Center for Action and Contemplation, founded by Father Richard Rohr, in Albuquerque, New Mexico. This is where I spent the best two years of life studying with wonderful Christian mystics and teachers. Seven years ago I started an alternative path to ordination through the United Congregational Church of Christ and became a licensed Minister to both the Atlanta, and Lewiston Michigan UCC. I recently finished as the sustaining pastor at the Atlanta UCC but remain available for pulpit supply.

I am now a full-time Seminarian, in my second year working toward a Master of Divinity. It should be noted that when I began my alternative path in discernment I was fortunate to have Rev. Dr. Paul Lance as my mentor and spent some time in Alpena. I am excited and looking forward to serving you in August.
