

A GIFT FROM THE *heart* IS GOOD FOR THE *soul*

What does "Heart & Soul" mean to me?

To me, "Heart & Soul" is the very essence of a deeply personal and meaningful relationship, a loving attachment to a connection or cause. "Heart & Soul" epitomizes a passion deeply rooted in importance or significance.

If I refer to anything with "Heart & Soul" that "thing" is probably woven into the fabric of my being and is a center point from which all else flows.

If I put my "Heart & Soul" into something, it means that whatever that is has found a special place in my life and has become and will most likely remain a priority.

I give to that special place willingly, without hesitation and feel that my efforts will multiply and thrive, not be scarcely tended to, but intentionally and lovingly supported.

What does Heart & Soul mean to the life of the church?

*The meaning of HEART AND SOUL is without reservations: completely, wholly.
The core of a thing; the most essential or important part.*

To me, the heart & soul of the church is our shared love of God, our physical place of worship and the members and friends of our congregation. We give generously to support that which we have created as a means of doing God's work in our personal lives, church lives, our community and beyond. When we give from the heart, we fulfill a purpose which we were created for, by design. We give freely and without obligation because we are inspired to share our gifts and celebrate abundance through our shared time, talents and treasures.

*What inspires you to give of your
time, talent & gifts?*

FOR WHERE YOUR TREASURE IS,
THERE YOUR HEART WILL BE ALSO.

-MATTHEW 6:21
